

Honeywell Howard Leight™ X-TREME® Disposable Foam Earplug

Tapered design for comfort and protection

The Honeywell Howard Leight™ X-TREME® disposable foam earplug was designed with ease of insertion in mind. The smooth tapered shape make insertion and removal easy. The soft foam enhances comfort, especially for long-term wear. The self-adjusting polyurethane foam expands to fit virtually every wearer. The X-TREME earplug come in both corded and uncorded versions. The signature Howard Leight bright orange color makes compliance checks easy. The X-TREME earplug is a low cost, reliable alternative to your current foam ear plugs.

NRR **32** dB

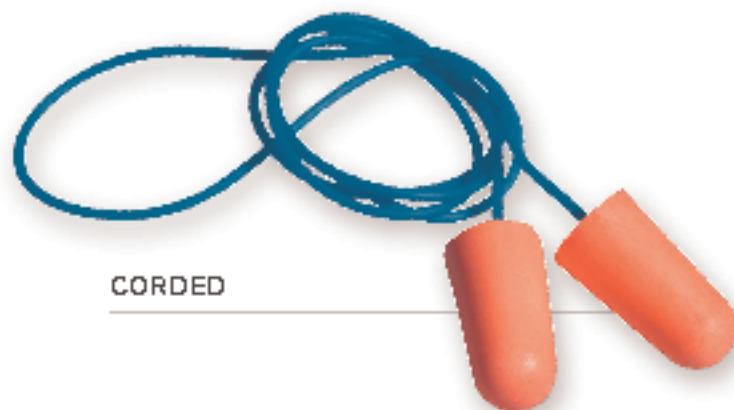

Canada Class **A(L)**

UNCORDED

FEATURES & BENEFITS
